The Stay-at-Home

Qualifine

Planner

by Leonie DAWSON

#### Degicated to

The Angels Who Walk Amongst Us: Doctors, nurses, health care workers, teachers, & essential services.

#### In memory of

The Precious Souls We Lost Because of Covid-19.

### Dearests,

10 Years ago, I was pregnant with My first Baby + had a Deep Knowing that the coming Year would be the hardest of My Life. So I sat Down & created a goals planner for My Self... one that felt CREATIVE & inspiring. It was Something to HOLD ON TO when things got HARD. And it worked Like & MAGIC & for Me... & the 400,000 other Souls who have used My Yearly MyShining Year. com Planners too.

@. So when things fell apart & we retreated into our homes for Quarantine, I knew I had to Do the same thing once more.

Plan a new Life, dream a new Dream...
one that was firmly centred in My home.

FOR ME, & FOR YOU. MAY IT MAKE THIS TIME

GENTLER + MORE CREATIVE FOR ALL OF

US. WE CAN do this! PLOWE

P.S. FEEL fREE to SHARE THIS ON with anyone who needs it! The more the Merrier!
